

caribou\_uart\_rx\_queue

```
graph LR; A[caribou_uart_rx_queue] --> B[caribou_device_of]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'caribou\_uart\_rx\_queue'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'caribou\_device\_of'. Both boxes have a black border.

caribou\_device\_of
