

caribou\_uart\_init\_config

```
graph LR; A[caribou_uart_init_config] --> B[memset]
```

A diagram showing a call from the function `caribou_uart_init_config` to the function `memset`. The first box, containing `caribou_uart_init_config`, is shaded gray and has a black border. A dark blue arrow points from the right side of this box to the left side of the second box. The second box, containing `memset`, is white and also has a black border.
